

Online Emergency Medical Technician – Basic (EMT-B)

The HealthONE EMS Department offers the EMT-Basic course online, consisting of a minimum of 180 hours of classroom and practical sessions and at least 44 hours of clinical rotations in the hospital and ambulance settings (outside of regular classroom time). The course is designed to meet the requirements of the Emergency Medical and Trauma Services Section of the Health Facilities and Emergency Medical Services Division, CDPHE. This course prepares the student for the National Registry exam and Colorado State EMT-Basic certification.

The course has several components: 1) online, for chapter work, assignments, and exams; 2) face-to-face class time for review, Q/A, and skills; 3) online chat time, with virtual classes scheduled throughout the course. Face-to-face sessions will be scheduled individually after registration and will consist of 8 hours a week.
