

Pediatric Emergency Assessment, Recognition, and Stabilization (PEARS) Provider

This course is designed for the credentialed healthcare provider who infrequently sees critically ill children. The main focus of the course is prevention, and specifically the assessment, recognition, and stabilization of pediatric victims at risk of severe cardiopulmonary distress. Course content covers pediatric assessment, recognition and management of respiratory distress and failure, recognition and management of shock, respiratory and circulatory management, resuscitation team concept, and the Chain of Survival. This course is not intended for advanced providers who routinely provide pediatric care.
