

EKG: Basic Interpretation

HealthONE EMS, in partnership with Arapahoe Community College, offers the Basic EKG course. This 30-hour course is open to all interested parties and is of particular benefit to those working in emergency departments, telemetry units, or preparing for entry into a Paramedic program. *Please note that this course will cover dysrhythmia interpretation and analysis. It does not include the management of dysrhythmias.*

This course is web enhanced. In addition to classroom time some course work will be completed online. Students must have internet access preferably with a high speed connection.
