

Paramedic Refresher

The goal of the Paramedic Refresher course is to provide a review of the paramedic curriculum. The course meets all National Registry mandatory core content requirements and the Colorado paramedic certificate renewal requirements. It is designed to refresh and reinforce previous knowledge and explore new concepts. It includes a 1-day AHA Advanced Cardiac Life Support (ACLS) renewal program. If you are admitted into the Paramedic refresher course, we can make no guarantee of your ability to re-certify through National Registry or the State of Colorado. We will grant a course completion certificate once you have completed all course work successfully. Your eligibility to re-certify must be verified by you with National Registry and the State of Colorado.
