

Colorado Crisis Support Network Video Order Form

Critical Incident Stress: Managing the Impact

The Colorado Crisis Support Network video, "Critical Incident Stress: Managing the Impact" is a 42-minute program developed as a training tool for emergency responders. The program uses interviews with responders, narration, and scene footage to familiarize personnel with critical incident stress and effective management techniques. The program is appropriate for training emergency responders, agency administration, and family members. The cost is \$75 per copy.

To order the video, please complete the following information and include a \$75 check or money order for each copy.
